

# Maths Task

1 a) Complete the table.

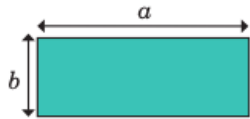

Number of weeks	1	2	3	5	10
Number of days	7				

b) Complete the formula to show the relationship between days ( $d$ ) and weeks ( $w$ ).

$$d = \square w$$

c) How many days are there in 32 weeks?

2 a) Write a formula for the area and perimeter of the rectangle.

area = \_\_\_\_\_

perimeter = \_\_\_\_\_

b) Work out the area and perimeter of the rectangle if

$a = 17$  cm and  $b = 8$  cm

Show your workings.

area =       perimeter =

## Clue 2 Hedging Your Bets

As you follow the footprints, they lead you to a hedge. Stuck in the hedge is a piece of material which has ripped from the trainer tangler's shirt. Solve the clues below, making sure to spell the answers correctly. Then, following the instructions given, find the correct letter from each word. Once you have solved all of the clues, **rearrange** the letters to discover the colour of the material you have found.

<b>Should, would</b> and <b>could</b> are all examples of which type of verb?	_____	The 5 <sup>th</sup> letter of the answer is...	<input type="text"/>
...	_____	The 1 <sup>st</sup> letter of the answer is...	<input type="text"/>
The race, <b>which was held in London</b> , was a huge success. <b>which was held in London</b> is an example of a relative...	_____	The 4 <sup>th</sup> letter of the answer is...	<input type="text"/>
My mother ( <b>who lives in Australia</b> ) came to watch the race. <b>who lives in Australia</b> is surrounded by which pieces of punctuation?	_____	The 2 <sup>nd</sup> letter of the answer is...	<input type="text"/>
<b>Who, whom, which</b> and <b>that</b> are examples of relative...	_____	The 1 <sup>st</sup> letter of the answer is...	<input type="text"/>
<b>Brackets, commas</b> and <b>dashes</b> can all be used to show what in a sentence?	_____	The 1 <sup>st</sup> letter of the answer is...	<input type="text"/>

When I rearrange the letters I have found, they spell the colour \_\_\_\_\_ so the trainer tangler must have worn a \_\_\_\_\_ shirt.
