

Maths Task

Use the words to label the parts of the circle.

radius diameter circumference centre

Complete the table.

Radius	Diameter
4 cm	
	12 m
	9 mm
3.5 km	
	12.6 cm

Describing character, setting and atmosphere

Look at this picture.

Think about the characters in this picture. How would you describe them? Think about show not tell.

Think about how you would describe the setting to include atmosphere. Is the atmosphere the same for the area around the person and the area around the monster?

How could you show these differences?

Write a description of this picture including the two characters, the setting and the different atmospheres
