Maths Task

English Task

During the summer months the sailing club also offers the opportunity to do windsurfing. Windsurfing is a surface water sport that combines surfing and sailing using a surf board and a sail.

The shape of the sail differs but can sometimes be a quadrilateral. Here are two examples of wind surfing sails.

Work out the missing angle in each sail.

Hyphens and Dashes

If you need some help, watch [this lesson](#).

Find a funny animal image.

Can you write three sentences about the image that include a hyphenated word?

Examples

Confused, the lightning-quick Tibetan fox stared at the Marmot.
Bravely, the Marmot gave the Tibetan fox an eye-popping look!

Challenge: Include both a hyphen and a dash in your sentence.

Example:

The bone-idle cat stretched and yawned – it had been a long day.

Writing

Look at this picture. Starting with the line:

Suddenly, Harry noticed a light shining through the keyhole.
