

Maths Task

The table shows the height of a plant recorded over a number of weeks.

Week	2	4	6	8	10	12
Height of plant (cm)	2	3	4	7	12	14

a) Complete the line graph to show the height of the plant over time.

Oral re-telling of a story

Using the story map you created yesterday, practise re-telling the Jumanji story. You don't need to be word perfect, this is more about focussing on the plot.

You could try re-writing the story from the story map and then compare it to the actual story to see how close you are.
