Maths Task

English Task

The graph shows the number of visitors to a shopping centre during one day.

- a) At what time was the greatest number of visitors at the shopping centre? _____
- b) What was the difference between the number of visitors at noon and 3 pm?
- c) For how long were there 4,000 or more visitors at the shopping centre? _____
- d) Approximately how many visitors were at the shopping centre at 2 pm?

Describing character, setting and atmosphere

You will need to read the first chapter of Coraline for this activity. You can find it on day 7 of the workbook. Find a link to the booklet above the link to the daily task. Page 15.

- Which characters are we introduced to?
- Which settings are described?
- What is the atmosphere in this chapter? Does it change?
- Choose a character from this chapter and draw a picture of them. Annotate this with information from the text.
- Choose a setting from this chapter and draw it. Annotate the drawing with information from the text.
- Choose a section of this chapter and describe the atmosphere giving evidence of this from th
