

Daily Writing Time

We have now been learning from home for a week. We would like you to reflect on your week and let us know how you have found it. Please write me a short letter to tell me about the week you have had.

Things to think about and include:

- What have you been doing each day?
- How have you found being at home this week?
- What have you enjoyed?
- What are you not enjoying?
- What would you like to do?
- What has this experience taught you so far?
- How are you feeling?
