

This is to certify that

OWEN L. (Beech)

is

Year 4 's

**Star Of The Week!**

I have been really impressed this week with your engagement in the activities suggested through the website. As teachers, we were really worried about not being able to have you all in school and whether 'home learning' would work. You have shown it can work and I have really enjoyed you taking the time to share your learning with me. Well done! I hope you have enjoyed it too!
