

Work out the sizes of the unknown angles.

Give reasons for your answers. [Lesson 2 - Angles in a triangle](#) – if you're unsure watch the clip for an explanation

a)

$x = \square$  because \_\_\_\_\_

\_\_\_\_\_

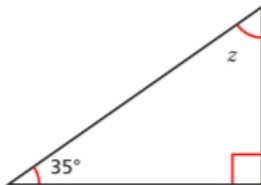

b)

$y = \square$  because \_\_\_\_\_

\_\_\_\_\_

c)

$z = \square$  because \_\_\_\_\_

\_\_\_\_\_

d)

$w = \square$  because \_\_\_\_\_

\_\_\_\_\_

### Active and Passive Verbs

If you need help with this task, please see [this lesson](#).

Write a diary entry detailing what you did yesterday using active verbs. For example:

This morning, I ate my breakfast and then I started to do my work. I did hours of maths and English.

Then re-write it using passive verbs. For example:

This morning, my breakfast was eaten by me and then my work was started by me. Hours of maths and English were done by me.

### Reading

Read a chapter of a fiction book of your choice. Write a short summary of the chapter. What are the key events? Who are the main characters?

You can send your summaries to us – we would love to see them.
