Relative Clauses

If you need to remind yourself about relative clauses, watch [this lesson](#).

Look at this picture of a mother bear and her cubs. Can you write a sentence about each bear so that the reader knows which one you are talking about? For example: The large bear who was staring at the camera looked like she was smiling.

Writing

Can you draw a story map for a story you are currently reading or have read recently plotting the main points in the story?

Remember to get involved in the [Sumdog Grammar](#) competition too.
