Look at the image.

- What do you think this place is? A museum of delightful things, a factory, a hot-air balloon station?
- If you were approaching this building, what could you see? How would you be feeling?
- What might you be thinking?

Write a description that tells your reader about the approach, the sights and sounds, what is in front of you, above you, in the sky?

What is happening around you?

What would you find if you ventured inside?

- Think about how you can use your senses in your description.
- Think about how you will divide the description into paragraphs.
- Think carefully about the vocabulary you can use. Use an online thesaurus to help you widen your vocabulary.
