

Orchard and Shepherdswell Academy

Home Learning Tasks – Year 5 Monday 13th July

Maths Task

Solve the housing problem!

36 people live in the eight houses in Albert Square.
Each house has a different number of people living in it.
Each line of three houses has 15 people living in it.
How many people live in each house?

Challenge: Solve this riddle:

What can you put between a 7 and an 8 so that the result is GREATER THAN 7, but LESS THAN 8?

English

Lunch with Hero's

Can you recognise each of the characters?
What do you think each of them do on a daily basis?
What do you think each of their favourite foods might be?
What do you think each of the characters are really like?

Challenge: Design a hero with super powers. What would their super power be? Why? Draw and annotate your hero with a description.
